Home Away From Home

We were excited to receive an invitation to the coast this weekend for (frosty) kite flying on the beach, razor clam digging, and sitting around a warm fireplace drinking wine and telling stories with a group of friends at the fabled Iron Springs Resort. The resort boasts 24 unique, private cabins with spectacular ocean views, designed to feel like your home away from home.

Of course, we were prepared for rustic cabins—so when we walked into our cozy beachfront abode we were astonished to find a gorgeous modern kitchen, fluffy down pillows and duvets, and dual showerheads in our spacious, tiled bathroom. And we were more than pleased to find out that our pampered pooch was welcome, too!

We spent a luxurious weekend watching the tides roll in and out, feasting on fresh seafood (and unearthing a few clams of our own), and disconnecting from the hustle and bustle of city life. On our way out, with the upside-down canoe in our rearview mirror, we knew Iron Springs Resort would be on our list of places to relax.
